Move to the Rhythms of the World with Us

HIFD dance nights are informal and friendly – no experience necessary, no partner necessary, open to anyone who enjoys dancing or wants to learn. College students, families, singles and couples are all welcome. Come to listen to the music from around the world, observe the dancers in action and then participate in the experience of being “transported” to many different countries in just one evening! To try out this fun activity, wear comfortable clothing and footwear. And bring your friends! **YOUR FIRST FRIDAY NIGHT IS FREE!**

Recreational dancing takes place twice a week, on Monday and Friday evenings. New dancers are welcome to both dance nights. HIFD is a not-for-profit organization; the amount charged covers the rent for the dance facility.
